

S.M.Y. DAMAI I

DAMAI I, the first **boutique liveaboard** dedicated for small groups of scuba divers, with passenger well-being always the top priority, has been designed to offer a personal service that only a vessel of this size can provide. With an overall length of over 40 meters (130 feet) and a beam of over 8 meters (26 feet) the vessel has four staterooms measuring over 30 m (300 sq.ft) each with queen sized beds for single occupants and king sized for couples, separate heads and en-suite bathrooms.

Specifically designed for divers the vessel offers a large dive station with individual rinse tanks. The vessel has been designed with three large deck areas for relaxing either in the sun or shade. Our guests can enjoy the all inclusive service onboard where even spa therapy is included in the price of a cruise.

The most varied travel itineraries in Indonesia's best diving location.

S.M.Y. DAMAI II

DAMAI II has a deck length of 40 meters and a beam of 9 meters. It is being fitted out with all the latest diving, navigation and safety equipment to ensure that the level of service appreciated on the first vessel is maintained and, where possible, improved upon.

DAMAI II features two double-bed stern staterooms and four below deck cabins. The below deck accommodation has been designed to accommodate single occupants in a level of luxury not seen on another vessel in Indonesia. They are intended for single occupancy at no extra charge for this service to the customer. The stern staterooms are over 400 sq.ft each and boast their own private deck with loungers, a super-king size bed, day beds, two desks and separate shower and head. In DAMAI II all accommodations have been finished with the highest quality furnishings, an authentic **boutique liveaboard**.
