

S.M.Y. ONDINA

Sailing aboard S.M.Y. Ondina you will have the opportunity to visit the most exotic and remote islands of this unique country, places where you will never possibly get by yourself. You will not embark one of those luxury cruises where everything is fixed to timing and planning, Ondina offers you a more adventurous trip with a lot of unexpected... Unexpected diving encounters, unexpected beautiful beaches, unexpected quiet traditional villages, unexpected on-board service...

SMY Ondina had travelled in the last 9 years more than 250.000 nautical miles, exploring all the huge Indonesian Archipelago, for that Ondina can offers one of the best diving in Indonesia.

Every year Ondina make a roundtrip visiting all the best diving areas of east Indonesia Raja Ampat, Lembah, Togians, Komodo, Alor, Wakatobi, Banda and the ultimate diving frontier: Triton Bay.
