

S.M.Y. SAMATA

Samata, is a traditional Indonesian Pinisi, hand-built and renovated by South Sulawesi Bira carpenters in 2007 and offers **Private Luxury Charter on Indonesian Archipelago.**

In Sanskrit, Samata is the condition of tranquility, harmony, balance, and the boat features a unique and harmonious interior which combines fabulous woods, to ensure your comfort whilst on your scuba dive travel vacation.

The Samata features not only innovative modern Indonesian cuisine and a rich array of Western dishes, but also the exclusive privilege of enjoying the culinary artistry of its Chef. Plenty of fresh local fruit and freshly-squeezed juices are offered all day long. The owner of the Samata has a rich selection of exquisite French wines from which you can choose at our win.

They specialize in every aspect of Komodo. From the famous dive sites to the secret ones, known them. Samata guests enjoy unlimited dives, no limits. Each dive is planned according to the weather, diving conditions and scuba diving level, but in addition, according to what the guests want. If there's a critter you have always wanted to see,

SMY Samata operates in Komodo, but is available for private charters in all Indonesian archipelago.
